

28<sup>th</sup> February 2020

Dear Parent/ Carer,

**Redlands Ofsted Report**

It is with great pride that I am writing to you all, following the outcome of our recent Ofsted inspection. As you will be aware, we welcomed Mr Savage (Lead Inspector), to Redlands on Tuesday 4<sup>th</sup> February and Wednesday 5<sup>th</sup> February 2020, where he completed a very thorough and detailed inspection of our school.

The Senior Leadership Team, along with the support of the staff, pupils, parents and Advisory Board, spent a busy couple of days showing Mr Savage the fantastic learning opportunities and provision that Redlands has to offer. We are extremely proud of all our children, many of whom had the opportunity to speak with Mr Savage and tell him about our wonderful school and their learning. Over the two days, he meticulously examined our records, observed learning, spent lunchtimes with the children and interviewed pupils, staff and parents; through piecing this evidence together, he was able to recognise the journey we have been on as a school and had many positive things to say about Redlands.

I am so very proud of all of our children, who, as was commented in the attached report, always continue to be 'consistently attentive and engaged in their learning' alongside displaying the values that Redlands hold dear. Mr Savage also recognised that, 'Pupils are helped and encouraged to develop life skills...of the Redlands 6 R's. Pupils wear the associated school badges they have earned with pride.'

I would like to say thank you to the parents, staff, pupils and Advisory Board members, who took the opportunity to put forward their positive views and encouragement, recognising the wonderful work we are doing at Redlands.

I am thrilled to share this good news with you and look forward to continuing our journey, in providing the best educational experience for our children.

Kind regards and best wishes,

Mrs Michelle Tobin  
Headteacher
