Primary School

Working Together and Aiming for Excellence

# **Sileby Redlands Community Primary School**

## **Pupil Premium Policy**

**September 2018**  
**Review date: September 2019**

## **Aims**

We aim to ensure that every child leaves Redlands Community Primary School excited about learning and determined to succeed. We want to equip them with confidence, resilience and a passion for justice and equality. These qualities will enable them to thrive and to champion kindness and fairness at all stages of their future lives.

The targeted and strategic use of Pupil Premium funding will support us in achieving our aims.

## **Background**

The pupil premium is a government initiative that targets extra money at pupils from deprived backgrounds. Research shows that pupils from disadvantaged backgrounds underachieve compared to their non-disadvantaged peers. The premium is provided to enable these pupils to be supported to reach their potential. The Government has used pupils entitled to free school meals (FSM), looked after children and service children as indicators of deprivation, and have provided a fixed amount of money for schools per pupil based on the number of pupils registered for FSM over a rolling six year period. At Redlands Community Primary School we will be using the indicator of those eligible for FSM as well as identified vulnerable groups as our target children to 'close the gap' regarding attainment.

## **Principles**

As a team of adults, working to ensure the needs of our socially disadvantaged children are catered for, we adhere to our Pupil Premium Principles (See Appendix A).

The allocation of pupil premium funding is to develop three main areas. These are:

- Be the best learner you can be
- Be the best citizen you can be
- Be supported in the best way you can be

Which are underpinned by the following values:

- Teaching and learning opportunities meet the needs of all pupils.
- Appropriate provision is made for pupils who belong to vulnerable groups. This specifically includes ensuring that the needs of socially disadvantaged pupils are addressed.
- In making provision for socially disadvantaged pupils, we recognise that not all pupils who are eligible for free school meals, (or have been eligible in the last 6 years) are socially disadvantaged.
- We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We therefore allocate Pupil Premium funding to support any pupil or groups of pupils that the school has legitimately identified as being socially disadvantaged.

In some exceptional individual cases, the PPF is used to ensure that barriers to learning for vulnerable children are removed so that the child is able to access the provision provided for them. For instance, if a pupil premium funded child requires transportation to attend a school event. In this case, a request is made to the Headteacher who will assess the needs at the time.

## **Identification of Pupils**

Redlands Community Primary School will be pro-active in ensuring that the identification of pupils who are eligible for funding are identified quickly to ensure that support can be offered quickly and therefore have the best impact. All new pupils to the school, including children entering the EFYS setting, will be required to complete a form to help us identify if children could be eligible for funding. In addition, a

census letter will be distributed annually to ensure that any pupils who may have had a change of financial circumstances can be identified.

We will ensure that:

- ALL staff are aware of who pupil premium and vulnerable children are
- ALL pupil premium children benefit from the funding, not just those who are underperforming
- Support and challenge is provided for all pupils who are entitled, no matter what their current level of attainment is, so that each can achieve to the fullest of their potential.
- Children's individual needs are considered carefully so that we provide support for those children who could be doing "even better if....."

### **Provision**

We have a range of provision in place to support children who belong to vulnerable groups, including those who are socially disadvantaged. This provision has the full support of the Advisory Board and includes but is not limited to:

- Providing small group work with an experienced teacher focussed on overcoming gaps in learning support
- Additional teaching and learning opportunities provided by teachers, TAs or external agencies
- Additional support for assessments, training and advice from specialists such as speech therapists, educational psychologists etc.
- Access to therapeutic interventions and advice
- Paying for activities that broaden the curriculum and life experiences e.g. educational visits, residential experiences and after school clubs

All our work funded by the Pupil Premium will be aimed at accelerating progress so that the vast majority of children leave Redlands Community Primary School at, or above, the Age-Related Expectation for the end of Key Stage Two. We also aim for every child to make progress that is good or better, so that they leave having reached their full potential regardless of their starting points.

### **Funding arrangements**

Pupil Premium funding will be allocated following annual needs analyses which will identify priority groups and individuals. Funding will be used to support academic development and support the social and emotional wellbeing of our Pupil Premium pupils.

As a school, we believe that extra-curricular activities and creative curriculum experiences such as trips, visiting speakers, attendance at Discovery Schools Trust events, musical and sporting experiences and many more experiences help to deepen the learning experience offered to our children and therefore support progress.

For pupils who are eligible for pupil premium funding, there is financial support available for educational visits of 50% of the cost of the visit.

### **Reporting**

The Pupil Premium Champion of Redlands Community Primary School will produce an annual report for the advisory board committee on:

- the progress made towards narrowing the gap, by year group, for socially disadvantaged pupils
- an outline of the provision

- an evaluation of the cost effectiveness, in terms of the progress made by the pupils receiving a particular provision, when compared with other forms of support

The Governors of Redlands Community Primary School will ensure that there is an annual statement to parents and carers on how the Pupil Premium funding has been used to address the issue of ‘diminishing the gap’, for socially disadvantaged pupils. This statement will be published on the school’s website.

**Appeal**

Any appeals against this policy will be through the Governors’ complaints procedure.

**REVIEW**

The Board of will review this policy statement annually and update, modify or amend it as it considers necessary to ensure the policy meets the needs of all the schools in the Trust.
