

Christmas Reverse Advent Calendar

As a school council, we decided that we wanted to do some things for other people, who are less fortunate than us.

We decided that we wanted to do a reverse advent calendar so we gave all of the children in school the opportunity to create their own advent box and bring in different items each day. At the end of the term we wanted to take these food parcels to 'The Bridge', which is an organisation who help the homeless and people who are less fortunate than us.

On Thursday 15th December we brought all of the parcels to the hall. There were 100 boxes, which we were really grateful for.

After we had collected the boxes, we needed to load up the cars so that we could deliver them to the 'The Bridge' in Loughborough.

When we transported the items to 'The Bridge' they were really grateful.

We would really like to thank all of the children and families who have donated to our reverse advent calendar, you have helped to make someone's Christmas a lot more special!
