Classroom Rules, Sanctions and Rewards

As a class we have made start and stop behaviours.

'Good to be Green' behaviour system

...continued

Rewards;

- Stickers
- Golden time
- House points
- Awards in assembly

...continued

Children are encouraged to have a drink in the classroom, but this needs to be water only.

A healthy snack can be brought in for morning break

Reading

- Please ensure your child has their book in school each day as children will be heard individually as much as possible.
- At home, we encourage the children to read through their school reading book 3 times so that they can develop understanding and fluency.
- We also have reading passports - please encourage the children to fill these in.

Writing

- Children are encouraged to be PROUD in their presentation.
 - Presentation, Ruler for straight lines, Oops made a mistake cross out with a ruler, Underline with a ruler, Draw in pencil.
- Encourage your children to write - shopping lists, instructions, cards, things to remember...something that doesn't feel like work!

Math No Problem

- Children work from this most days in class.
- Weekly skills check.
- Use practical resources.

Our Topics For The Year

- Autumn Term - Heroes and Villains
- Spring Term - Tribal Tales
- Summer Term - Scrumdiddlyumptious

P.E.

Our P.E. day is Friday.

This is taken by Miss Gardner

We may during the week be able to have another P.E. lesson which is why we need P.E. kit in school at all times.

Please ensure this is all named!

Homework

Spellings are given out on a Thursday, a pre-test will be given on a Monday and the full test on the following Thursday.

Mathletics homework will also be set on a Thursday.

Additional homework may also be set throughout the year.

Show and Tell

There are no show and tell sessions in Year 3. If, however your child has achieved something outside of school (e.g. swimming certificates) they can share these on a Friday in our celebration assembly.

Home Time Arrangements

If your child is going home with another adult, please ensure that you inform school of this, via email, phone call or letting your class teacher know.

How Can You Support Your Child?

Listen to them read regularly.

Practice their spellings.

Practice practical maths - telling the time, money, shape recognition - as well as times tables, addition, subtraction and division.

Ensure homework is completed on time.

And finally...

....our doors are always open!

If there are any issues you feel we should be aware of please feel free to come and talk to us.
