

## Roald Dahl Day

On Friday 15<sup>th</sup> September we celebrated Roald Dahl Day as a school.

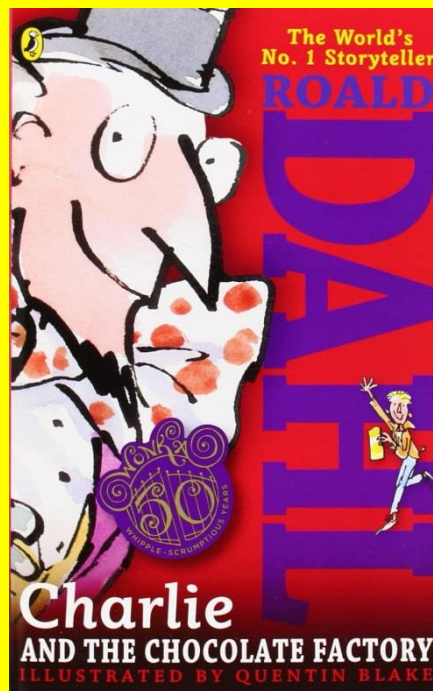

We started the day with Mr Page telling us lots of Roald Dahl stories and reading with funny voices.

After that we went back to our classes and read parts from the books and undertook some different fun activities.

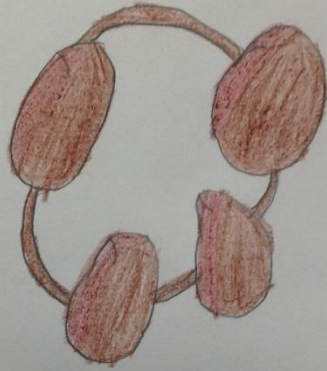

In year 5 we read 'The Twitts' and tried to turn ourselves into a character from the story.

In year 4 read a passage from Charlie and the Chocolate Factory and then created our own special treat.

Goosegrape

A Goosegrape is a fruit that looks like a grape but it is a giant grape, it is white, it is a circle of grapes and you can find it in Goose Road. It is a noun. "I am going to Goose Road to find some Goosegrape."

In Year 2 we read about George's Marvellous Medicine and decided to try and make our own. We had to list our ingredients and think what our medicine could do.

Everyone had a great day!!!
