Dear Parents/Carer(s),

**Redlands Uniform Consultation**

Here at Redlands, we are passionate about instilling a sense of pride in our children and teaching them to have respect for themselves and others. We feel that a great opportunity to do this is to streamline our school uniform and we are asking for parents' opinion to support us in making a decision as to what this will look like.

A survey has been created to support us in gaining your opinions and we would be very grateful for as many parents as possible to answer the questions, so that we can ensure that our new school uniform policy is a true reflection of what the parents and the school want to achieve.

**The survey link will be emailed out to parents today.**

We would like to clarify that this consultation is to support Redlands in having a more consistent appearance and that the majority of the changes are regarding colour choices. The expectation is not that all items of uniform will hold the school logo, although one of the changes we would like to make is that the current school logo will be present on all sweatshirts and cardigans. Parents will still have the freedom to buy their children's polo shirts, trousers, skirts, etc. from local retailers who offer these items.

Please be aware that the outcome of this survey will not come into effect until the start of the 2018/2019 academic year (August 2018) and we will ensure that you are all notified of the confirmed changes in advance.

Thank you for your continued support.

Regards and Best Wishes,
