

What is SMSC? 2025-2026

SMSC stands for
spiritual, moral, social and
cultural development

All schools in England must show how well
their pupils develop in SMSC

Spiritual

Spiritual Development is concerned with developing the non-material aspects of life, focusing on personal insight, values, meaning and purpose. Beliefs that help provide perspective on life may be rooted in religion, but equally may not. This refers to children's beliefs, religious or otherwise, which inform their perspective on life and their interest in, and respect for different people's feelings and values.
